

**City of Yukon Stormwater Quality Management Department**  
**Notice of Termination (NOT) for Stormwater Discharges Associated**  
**with CONSTRUCTION ACTIVITY (Land Disturbance)**

Submission of this NOT constitutes notice that the operator identified in Section I of this form no longer intends to be authorized to discharge storm water associated with construction activity under an OPDES Stormwater General Permit. Authorization is not terminated until you are notified that all termination requirements have been met, including stabilization and landscaping, and the Stormwater Manager has completed a final inspection. **SEE INSTRUCTIONS.**

### III. CERTIFICATION

I certify under penalty of law that all stormwater discharges associated with construction activity from the identified facility that were authorized by a stormwater permit have been eliminated or that I am no longer the operator of the construction site. I understand that by submitting this NOT form that all the termination requirements have been met and the complete NOT has been processed, I am no longer authorized to discharge stormwater associated with construction activity to waters of the State. It is unlawful under the Clean Water Act, OAC 252:606-5-5, and City of Yukon Municipal Code, Chapter 207, to discharge without a stormwater permit. I also understand that the submittal of this NOT form does not release me as an operator from liability for any violations of this Permit or OPDES rules and procedures.

### INSTRUCTIONS

#### Who shall file a Notice of Termination Form

The Permittee currently covered by a Yukon Land Disturbance permit for stormwater discharges associated with construction activity must submit a Notice of Termination (NOT) form within 30 days after one or more of the following conditions have been met: • A new owner or operator has taken over responsibility for the facility or site or project, and has submitted an NOI for permit coverage; • All construction activities have completed and met all other permit requirements, including final stabilization, on all portions of the site. You must meet all the termination requirements of the permit prior to submitting the NOT.

#### Completing the Form

If you have questions, email [stormwater@yukonok.gov](mailto:stormwater@yukonok.gov) or call (405)354-6676.

#### Section I: Facility Owner/Operator information

Provide the legal name, mailing address, and telephone number of the person, firm, public organization, or any other entity that either individually or together meet the following two criteria: (1) have operational control over the site specifications (including the ability to make modifications in specifications); and (2) have the day-to-day operational control of those activities at the site necessary to ensure compliance with plan requirements and permit conditions.

#### Section II: Facility Site Information

Enter the Project's official or legal name and complete street address, including city, county, state, ZIP code and phone number. The applicant must also provide the latitude and longitude of the facility in decimal degrees.

Provide your DEQ authorization if the site is an acre or more or part of a common plan of development.

#### Section III: New Operator Information

If applicable, provide the legal name of the company, firm, public organization or any other entity that has assumed ownership for the facility or site described in this NOT.

Provide the new operator's phone number, complete physical address including city, state, ZIP code, and email address. If there is more than one new operator, use additional sheet(s) to include all the new operators' information.

Permittees are required to prepare and submit a Notification of Change of Ownership (NCO) form from each new owner and submit the NCO form to Yukon and DEQ. Forms may be obtained at the DEQ website: <https://oklahoma.gov/content/dam/ok/en/deq/documents/water-division/CHANGE-OF-OWNERSHIP-OKR10-2022-Fillable.pdf>
